***Great news for seniors in Chilmark and West Tisbury...you can get your teeth cleaned for free on November 19 at Howes House!***

Vineyard Smiles is offering free dental care to seniors who lack regular access to dental care. Vineyard Smiles is a mobile dental program of the Vineyard Health Care Access Program and Island Health Inc. This program is sponsored by the Towns of Chilmark & West Tisbury, through the Vineyard Nursing Association.

**The clinic will be held on Friday November 19, 8:30 a.m. – 3:00 p.m. at Howes House (Up Island Council on Aging, across from Alley's General Store), 1042 State Road, West Tisbury.** Please fill out the registration form by **Monday November 15** and leave it at Howes House or Chilmark Town Hall with the Board of Health office so we can call you to schedule an appointment time. Drop-ins will be taken on first-come first-served basis.

Licensed professional dental hygienists from Polished Teeth LLC are pleased to be providing services to Island seniors. Whether you have some or all of your teeth or dentures, you will receive an oral exam, cleaning and fluoride treatment. If you are at high risk for medical problems resulting from a cleaning you may receive limited services.

If you have questions please call Sarah Kuh, Vineyard Smiles Director, at (508) 696-0020 x11. We look forward to seeing you at the Vineyard Smiles Dental Clinic!
